

February 5, 2010

Mr. Warne Rhoades  
c/o Society for Treatment of Autism  
404 94<sup>th</sup> Avenue S.E.  
Calgary, Alberta T2J 0E8

Dear Warne,

**RE: \$5 Donation**

As a member of the Calgary business community, I would like to introduce myself. My name is Aaron Adams and I am the Vice President, Operations of the Calgary Mr. Lubes.

As a community-minded company, we believe it's important to support the contributions made by organizations in our local community. With each and every regular-priced oil change that you or anyone associated with Society for Treatment of Autism purchase, I would like to offer **\$5** towards your agency's cause. Simply come to any of our 8 Calgary locations, present a copy of this letter and **\$5** from your oil change will automatically be donated to Society for Treatment of Autism.

You may already know that Mr. Lube is the national leader in routine automotive and fleet maintenance services. We provide fast, convenient and affordable services, including oil changes and routine maintenance on your vehicle.

We use top quality parts and all services performed on your vehicle are warranty-approved. With no appointments necessary and warranty approved services, we guarantee that your vehicle is in good hands. All of our technicians are trained and certified, and any service performed on your vehicle meets with the manufacturer's specifications in your owner's manual.

With 100 locations across the country, we know that delivering the highest level of customer service is paramount in building long standing relationships in our community. My team and I look forward to taking care of your vehicle soon!

If you have any questions in regards to this exciting offer, please don't hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Aaron Adams", written over a light blue horizontal line.
